

The reward scheme for cervical screening participants

Cervical screening prevents at least 2,000 cervical cancer deaths in the UK each year.

So just like getting your hair or nails done, make cervical screening part of your self-care routine.

**With Screen Stars you can also treat yourself to one of our exclusive range of salons for screening rewards.**

There's never been a better time to book your cervical screen appointment!

**When you attend your appointment remember to ask for your Screen Stars card.**

Local salons and businesses have signed up to offer you some fantastic discounts and special offers in return for your Screen Stars card, simply:

- **Log on to [screeningsaveslives.co.uk](http://screeningsaveslives.co.uk) and visit the cervical screening page**
- **Have a look at the current ScreenStars offers**
- **Contact the business directly to book or make an appointment**
- **Remember to take your Screen Stars card with you!**
